

# Oracle Commodity Announces Change in Financial Year End

**Vancouver, British Columbia, December 30, 2022 – Oracle Commodity Holding Corp. (“Oracle” or the “Company”)** announces that it is changing its financial year end from December 31 to March 31. As a result, the Company will file an additional interim report as at December 31, 2022 and will report audited financial results for a 15-month transition year from January 1, 2022 to March 31, 2023 (with a comparative of the 12 months ended December 31, 2021). Afterwards, the Company will revert to a customary reporting calendar based on a March 31 year-end, with fiscal quarters ending on the last day of June, September, December and March each year.

This change of financial year-end facilitates the audit process given the great demand for audit services with the December 31 year end.

The notice for the change in financial year-end required under National Instrument 51-102 – *Continuous Disclosure Obligations* will be filed under the Company’s SEDAR profile at [www.sedar.com](http://www.sedar.com).
